RIDE IN STYLE

Everything about your wedding day should be extraordinary. Arriving at your ceremony relaxed and unruffled, in a chauffeur driven limousine, is the perfect way to begin the celebration.

QUESTION'S TO CONSIDER

How much do I want to spend on transportation?

What kind of impression do I want to make? (A limo would be the traditional way to go but depending on your preference and budget, you may also want to consider a horse-drawn carriage or some other non-traditional means of transportation such as a vintage or classic car, a Rolls Royce, or a hot air balloon.)

Is there a need to provide transportation? (If the day is to be filled with many champagne toasts, providing safe transportation for those who will be celebrating the most is a smart idea. Also, if your reception is located in an out-of -the-way location or if parking is an issue, it may make sense.)

Who do I want to ride in the limousine?

How many limos should I rent? (A formal limousine seats four; a stretch limo can seat six to ten, a luxury coach can seat ten or more, a passenger coach can seat 21-49.)

Does my groom need a limo?(Sometimes brides and grooms have seperate limos for their girls and guys to take them around before the ceremony. This is also helpful if you have a larger bridal party.)

Do I want to have a limo on call throughout the wedding and reception or do I want one limo to take me to the ceremony and reception and another to leave the reception?

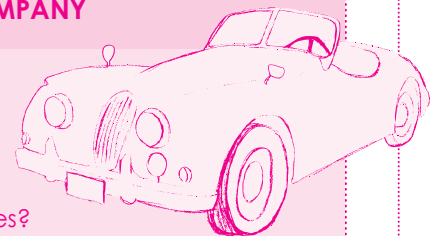

QUESTIONS TO ASK THE LIMOUSINE COMPANY

Do you own your own vehicles?

What is the hourly rate?

Do you have a minimum number of hours required for your services?

Is the gratuity for the driver included in the cost of the rental or is it to be paid separately?

TRANSPORTATION OPTIONS

If you want to be romantic, go with a Limousine or a horse drawn carriage. Maybe you are more of the "Classic" bride, then what about an old car, Rolls Royce, Bentley, Grey Ghost, Daimler, Mercedes Benz, Cadillac, Jaguar, or an old Mustang? If you are looking for a Fast getaway, try a Lamborghini, Corvette, Ferrari, BMW, or Porsche. If you want to have a little more fun, what about a Party Bus or Hummer Limousine? Your whole wedding party could go along for the ride! You could customize your get away to your hobby, ride out on a motorcycle or golf cart. Leave on a hot air balloon ride or maybe you could leave in a helicopter. From speedboats to tractors, there is a get away option for everyone! Just have fun with it!

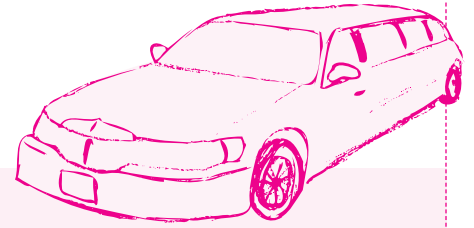

To ensure you get the best ride for the best price do some research and talk to each company before booking for the big day. Use this worksheet to take notes and help you determine which ride is best for you.
